

LT Board Special meeting 7/29/24

On Monday, July 29, 2024, the Board held a special meeting on the status of Jack Lawson.

Article VI, Section 6 of the restrictive covenants states that a trustee must make himself available, discharge the duties of the position, and exercise the rights and powers of a Trustee.

Mr. Lawson has not attended any board meetings nor Property Owner's Meetings since May 31st. Furthermore, Jack Lawson has not been directing maintenance on the day to day operations for 2 months, since May 31st. Because of this, the Board has unanimously voted to remove Mr. Lawson from his position on the Board.

The next person in line has accepted the position, and that is Vincent Palmer, who has been helping the maintenance department while they are short handed.

Respectfully Submitted,  
Dennis Stear, Secretary
