Dear Property Owner:

Greetings from your Fire Department. We would like to say thank you for voting to increase the Fire Tag to \$30.00 per tag at the Annual Meeting which was held in April. We at the fire department appreciate the support that the community gives us though out the year and we continue to look for ways that we can improve as we serve the community.

PRICING STRUCTURE IS AS FOLLOWS:

Price per individual Lot (s)===== \$30.00

Example: 1 lot = \$30.00, 3 lots = \$90.00, 5 lots = \$150.00

Fire Tags are Due.....January, 1st, 2018

There will be a \$5.00 late fee **PER LOT** for any fire tag purchased after February 15th, 2018

There will be a \$40.00 charge for any returned or bad checks.

.....
We are a **VOLUNTEER FIRE DEPARTMENT**, which means we **do not receive any pay for the work that we do.** The money that the Fire Department operates on comes from the sale of the fire tag and any donations that may be given to the department. We do sell 911 address signs for \$25.00, this includes installation, and we strongly believe every lot should have one, to ensure prompt response to any emergency that may arise. We do ask that if you do purchase an address sign, that you **please** mark the area where you want the sign to go. We also try to have fund raisers during the year to supplement funds so that we stay in compliance with NFPA Regulations by providing training for the firefighters along with maintaining and updating equipment.

Missouri State Law #320.300-320.320 requires a Fire Department to do whatever it can to protect Property and Lives, however if you do not have a Fire Tag, you can and will be held liable for all fire damage, and/or expenses of the Fire Department, and/or fines up to \$10,000 in fines.

We encourage the purchase of Fire Tags, as most Insurance Companies check to see if a Fire Tag has been purchased in the event of a fire. Effective January 1st, 2009, we started giving and enforcing fines for all fires, including brush, that do not have a current Fire Tag. If you do

not wish to purchase a Fire Tag, you need to contact the Fire Department for a "Do Not Respond Waiver" which will need to be completed and notarized and a copy will be sent to your **Insurance Company**. However, you will still be liable for all damage that may result from your fire spreading to surrounding property.

We thank you for your cooperation and support with the purchase of your Fire Tag. Please fill out the form and send it back with your payment. Do not include with your Assessment payment. Please use separate check/money order. Make check or money order payable to: **LAKE TIMBERLINE VOL. FIRE DEPT OR L.T.V.F.D.** Your canceled check is your receipt, this year you will also receive a sticker that you can place on your property, so it is visible. You may also purchase your Fire Tag at the Board of Trustees Office during normal business hours (Mon, Tues, Fri & Sat 9am-4 pm). We at the Fire Department would like to **Thank** the front office for this service, it is greatly appreciated. You may also purchase your Fire Tag at the Fire Dept. on the first and third Tuesday night at 7pm during training hours, or there is a mail box outside the door where you can drop your payment off.

THANK YOU,
LAKE TIMBERLINE VOL. FIRE DEPT.

Please complete and detach below information and return with your payment. **Please be sure to include phone number in case the Fire Dept. would need to contact you.**
