

The Board of Trustees is offering the following lots for sale. Please see the office staff during regular business hours to complete your purchase.

*Please note: "Access only" lots are for sale and grant access to all the amenities our community has to offer. These lots have very little improvement options and have limited road access as well.

Assessments for the current year will be pro-rated if lot(s) are purchased between the months of August 1st and November 1st. Assessments will be waived if purchased on or after November 2nd and through the end of the current year. The following year's assessments will be due in full.
